MEDIA ADVISORY

SECOND MAJOR ECONOMIES MEETING ON ENERGY SECURITY AND CLIMATE CHANGE

As part of President Bush's continued international energy security and climate change initiative, the world's major economies plus the United Nations, have been invited to join the United States in Honolulu, Hawaii for the second Major Economies Meeting. The two day meeting will further the shared objectives of reducing greenhouse gas emissions, increasing energy security and efficiency, and sustaining economic growth, and will help to advance the negotiations under the UN Framework Convention on Climate Change.

When: January 30-31, 2008

Where: East-West Center
Honolulu, Hawaii

Details: Agenda and country invitee list attached

RSVP: **Members of the press must RVSP to press@ceq.eop.gov no later than Monday, January 28, 2008.**

Media representatives may cover the open press portions of this meeting upon presentation of the following: (1) a U.S. Government-issued media identification card (Department of State, White House, Congress, Department of Defense, or Foreign Press Center), (2) a media-issued photo identification card, or (3) a letter from their employer on letterhead verifying their employment as a journalist, accompanied by an official photo identification (driver's license or passport).

****Due to space constraints, only TWO representatives from each media outlet will be permitted.****

****Coverage for several events will be pool for cameras and stills. If you are interested in being the pool camera, please indicate so in your RSVP.****
